**FamChamps™ Camp 2017**

An annual orientation camp to the FamChamps™ programme to promote the holistic message of Family and raise the next generation of future Family Champions. (For youths aged 13-14)

**VARIOUS DATES** |   
**The Parent-Coach Dialogues**

Facilitated by a parenting expert, these stimulating parenting conversations engage learning in a community so that parents can acquire practical tools that cater to their unique child.

*"Because it's a dialogue, we get to interact with other parents and hear from them – what are the things they do with their children, what challenges [they face], so at least it helps us feel that we are not alone. In the week itself, we are able to apply the tips and observe their behaviour, and then we can come back to consult the trainer. So it's not just the theoretical aspect but the practical aspect."*
